### PUBLIC NOTICE

#### REMOVAL OF MAINTENANCE GUARANTEE BOND AS MANDATORY REQUIREMENT FOR DETERMINATION OF NON-CITIZEN ENTRY PERMIT

This Authority over the years has been streamlining our various services that we offer, including entry permit requirements for determination of non-citizen application for entry permit.

As part of this streamlining exercise and consistent with Migration Act (1978) and Regulations (1979), I am pleased to announce that as the authorized officer of the Authority, the Maintenance Guarantee Bond that forms part of the mandatory requirement for consideration of non-citizen entry permit application, which is issued by recognized Insurance Company on behalf of the State upon payment of a fee not exceeding K1,000, will no longer be required forthwith.

This requirement will now be borne by the legal sponsor/employer of the non-citizen, including the dependents that form part of the household.

The cessation of the Maintenance Guarantee Bond will be effective as of **01 June 2019**.

Should you have any queries/clarifications on this matter, please do not hesitate to contact our Client Service on email: [clientservice@immigration.gov.pg](mailto:clientservice@immigration.gov.pg) for appropriate assistance.
